

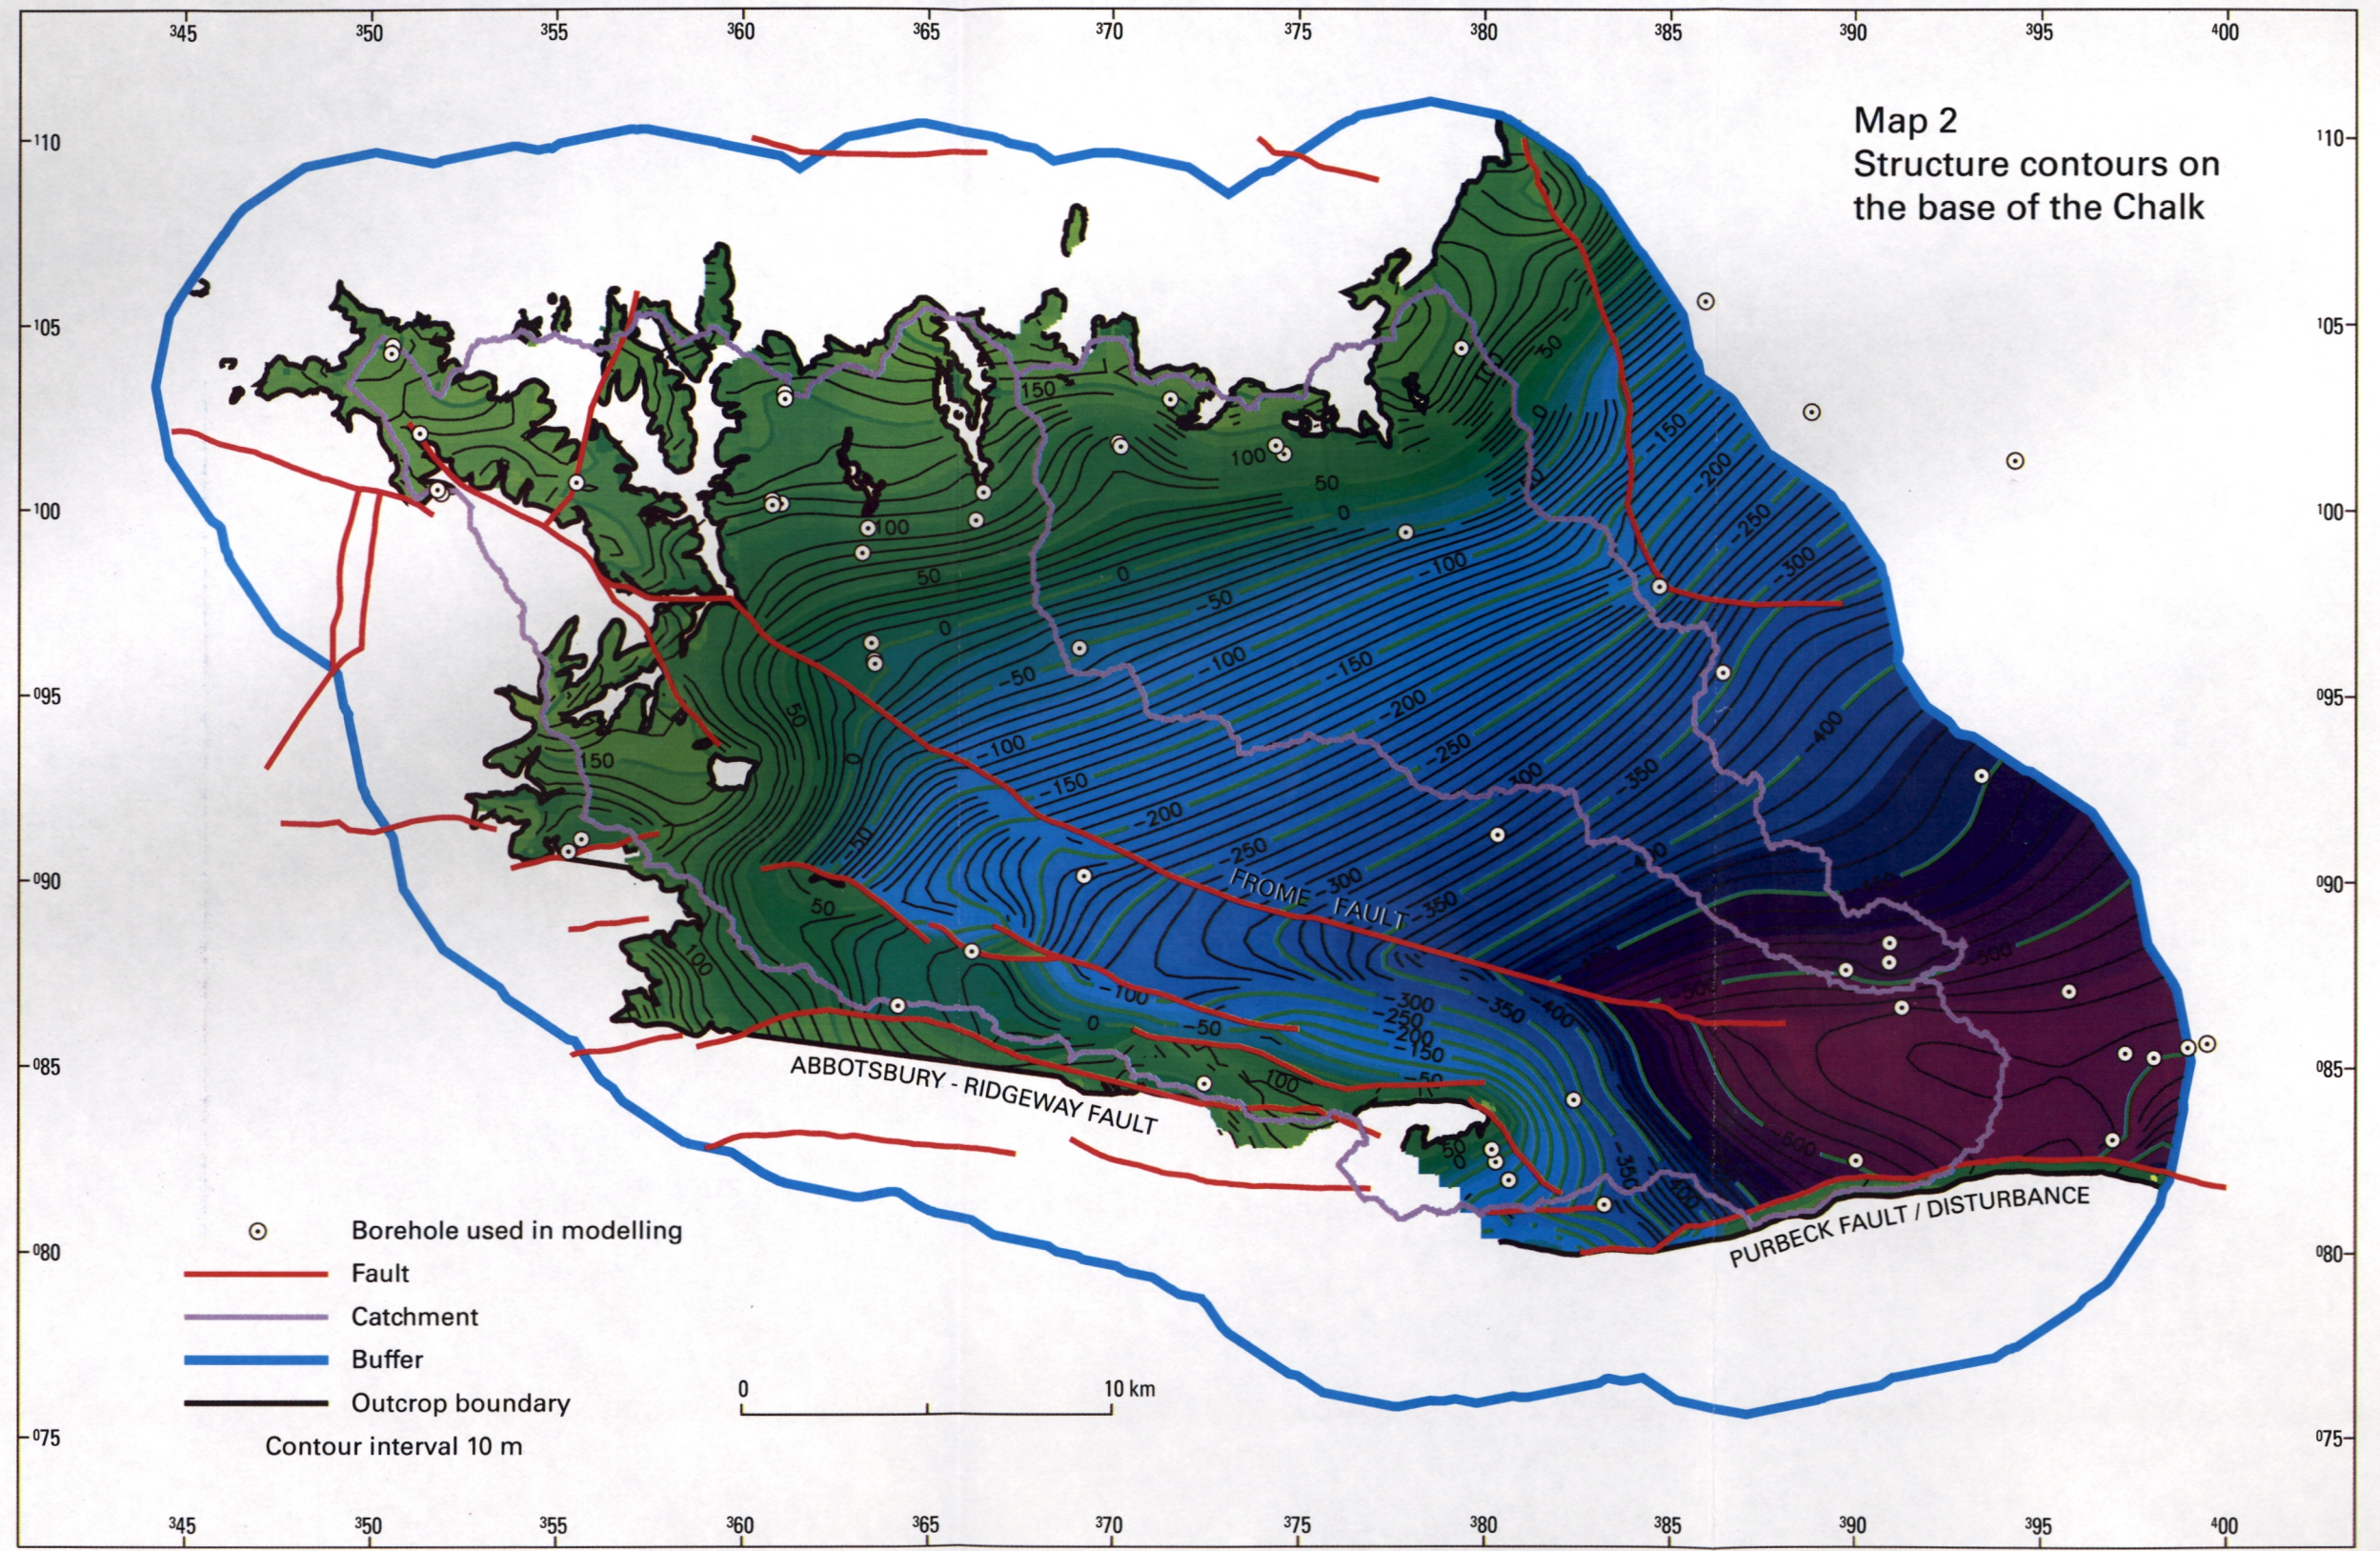

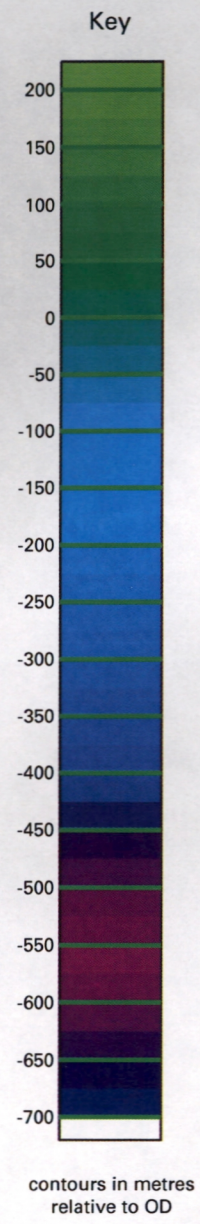

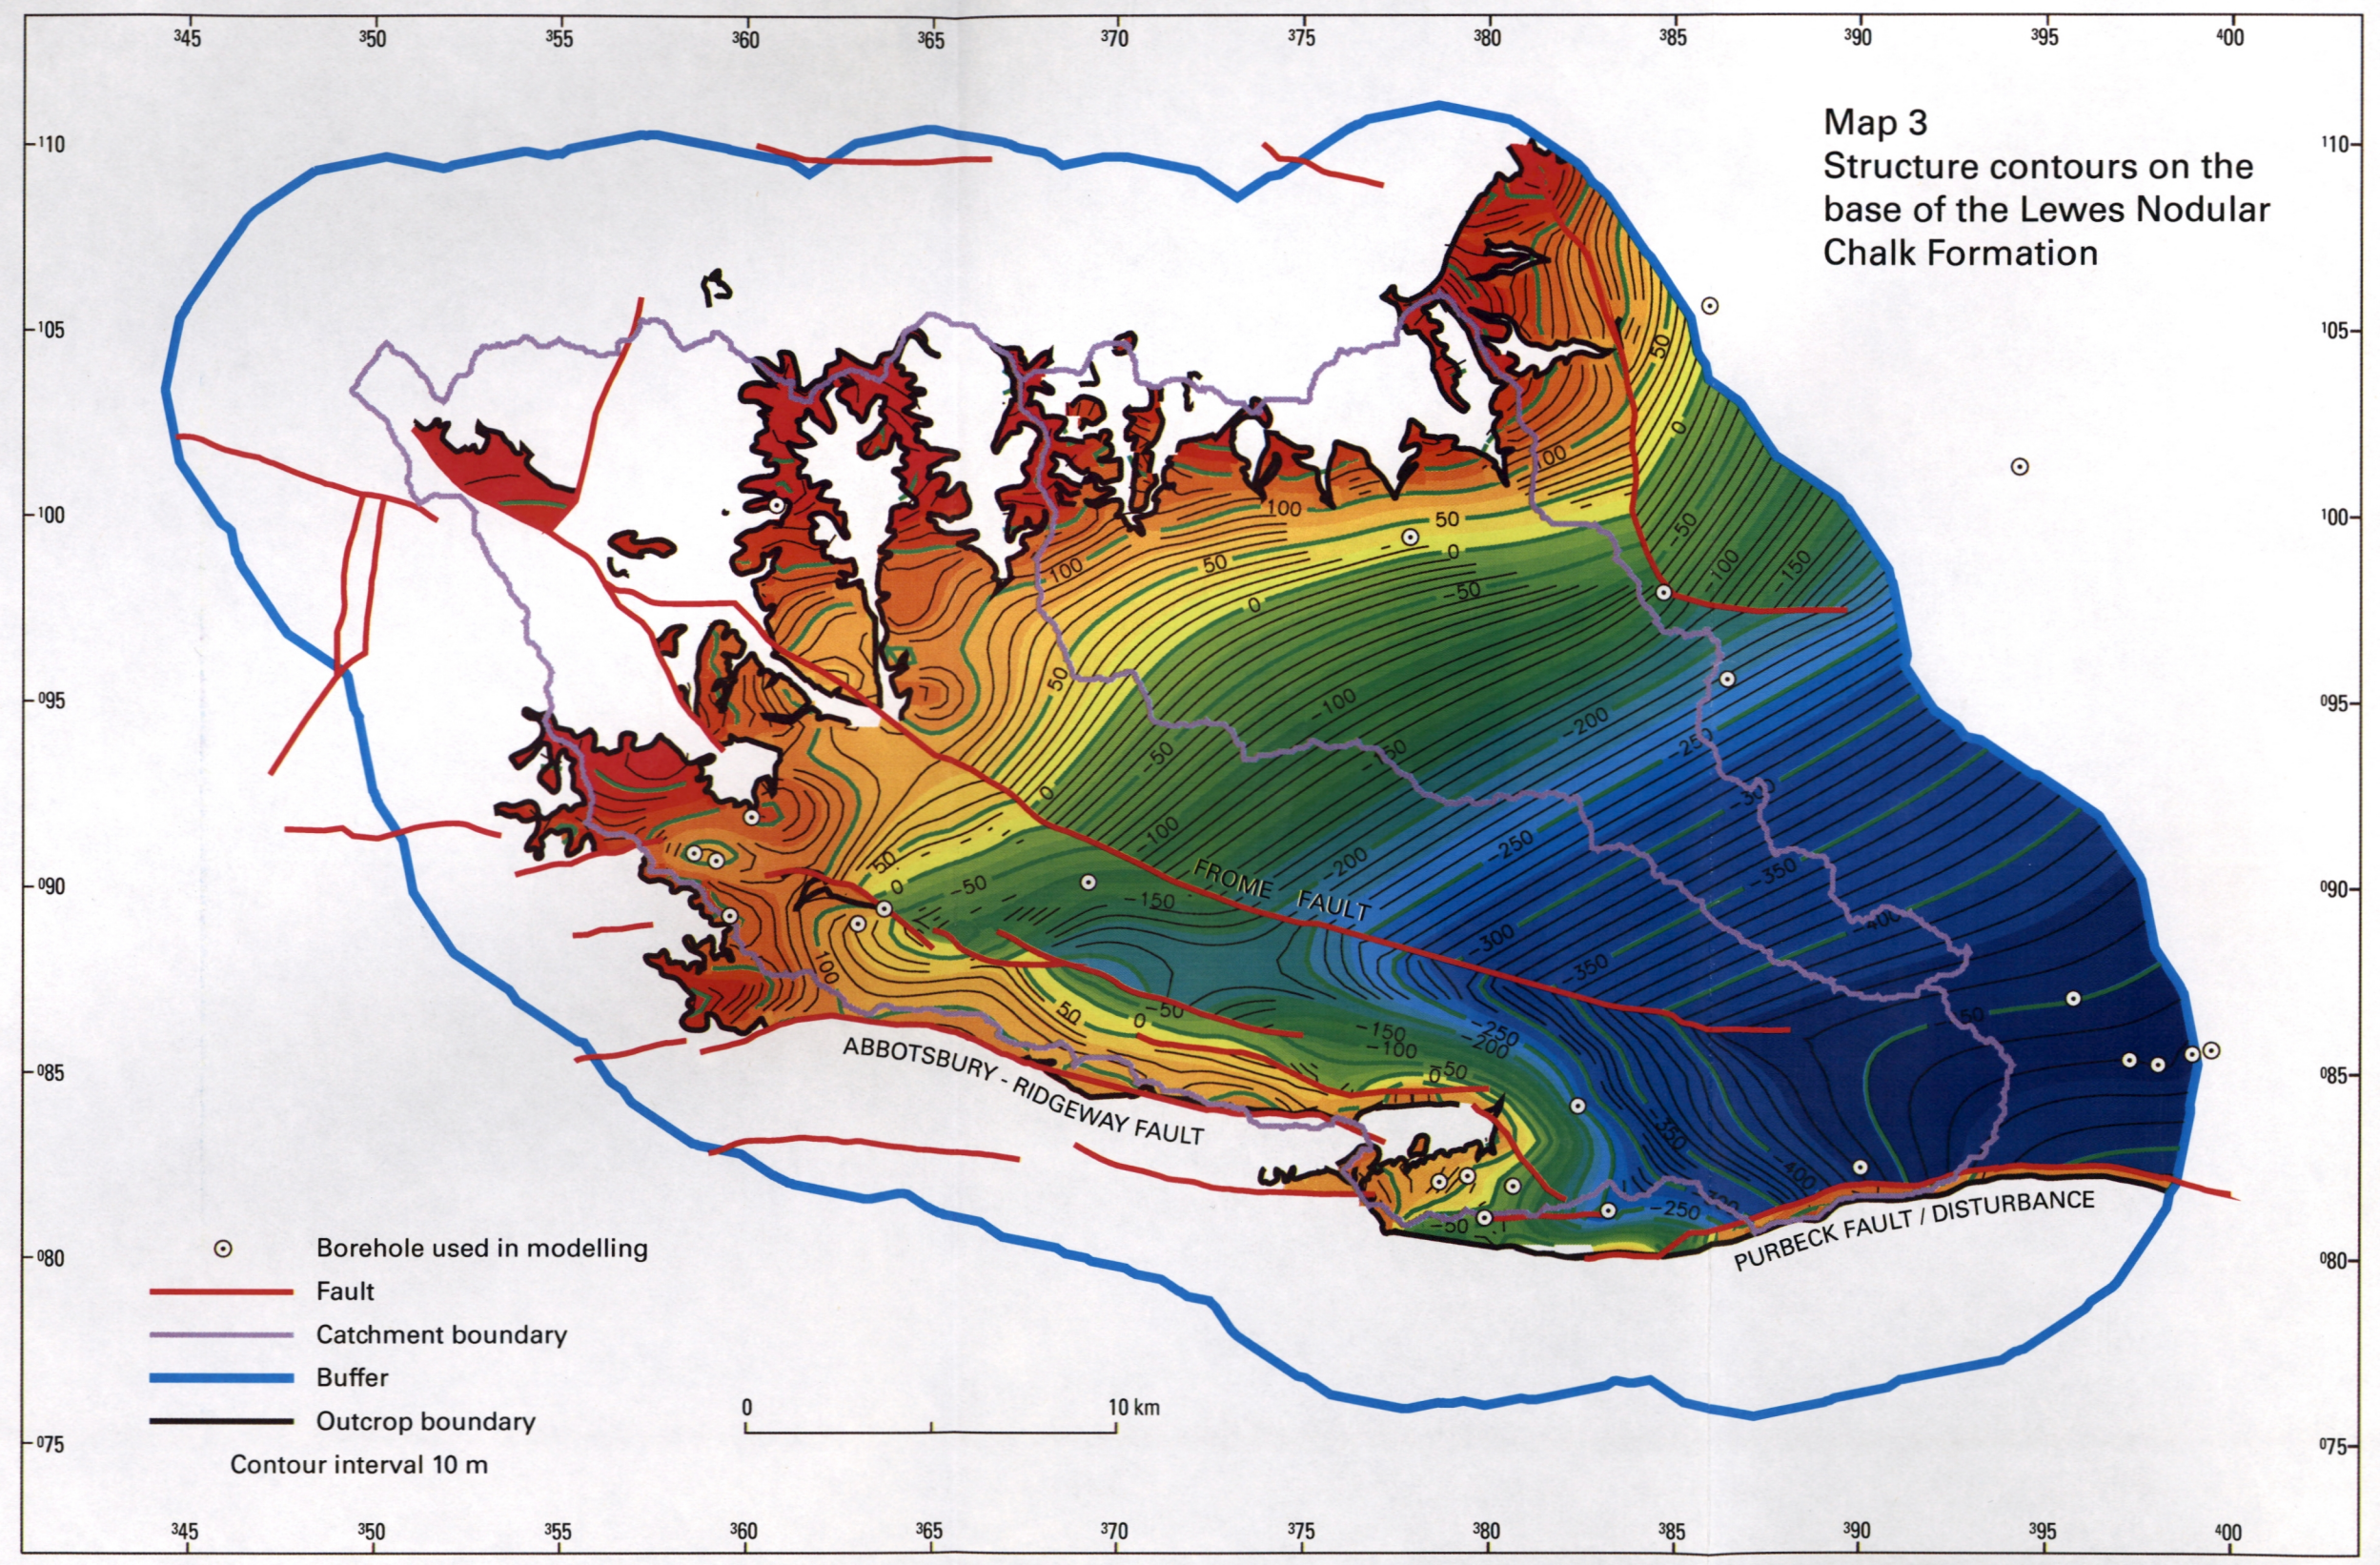

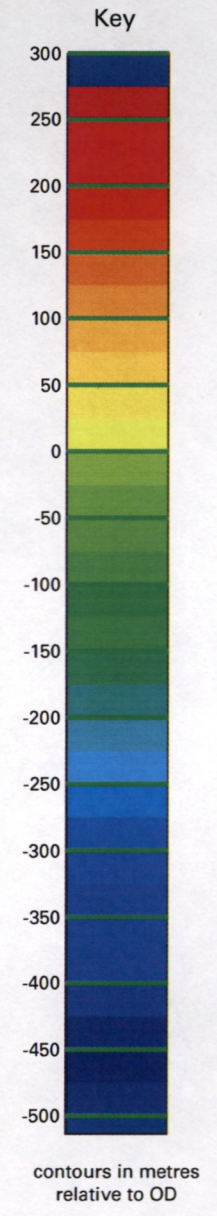

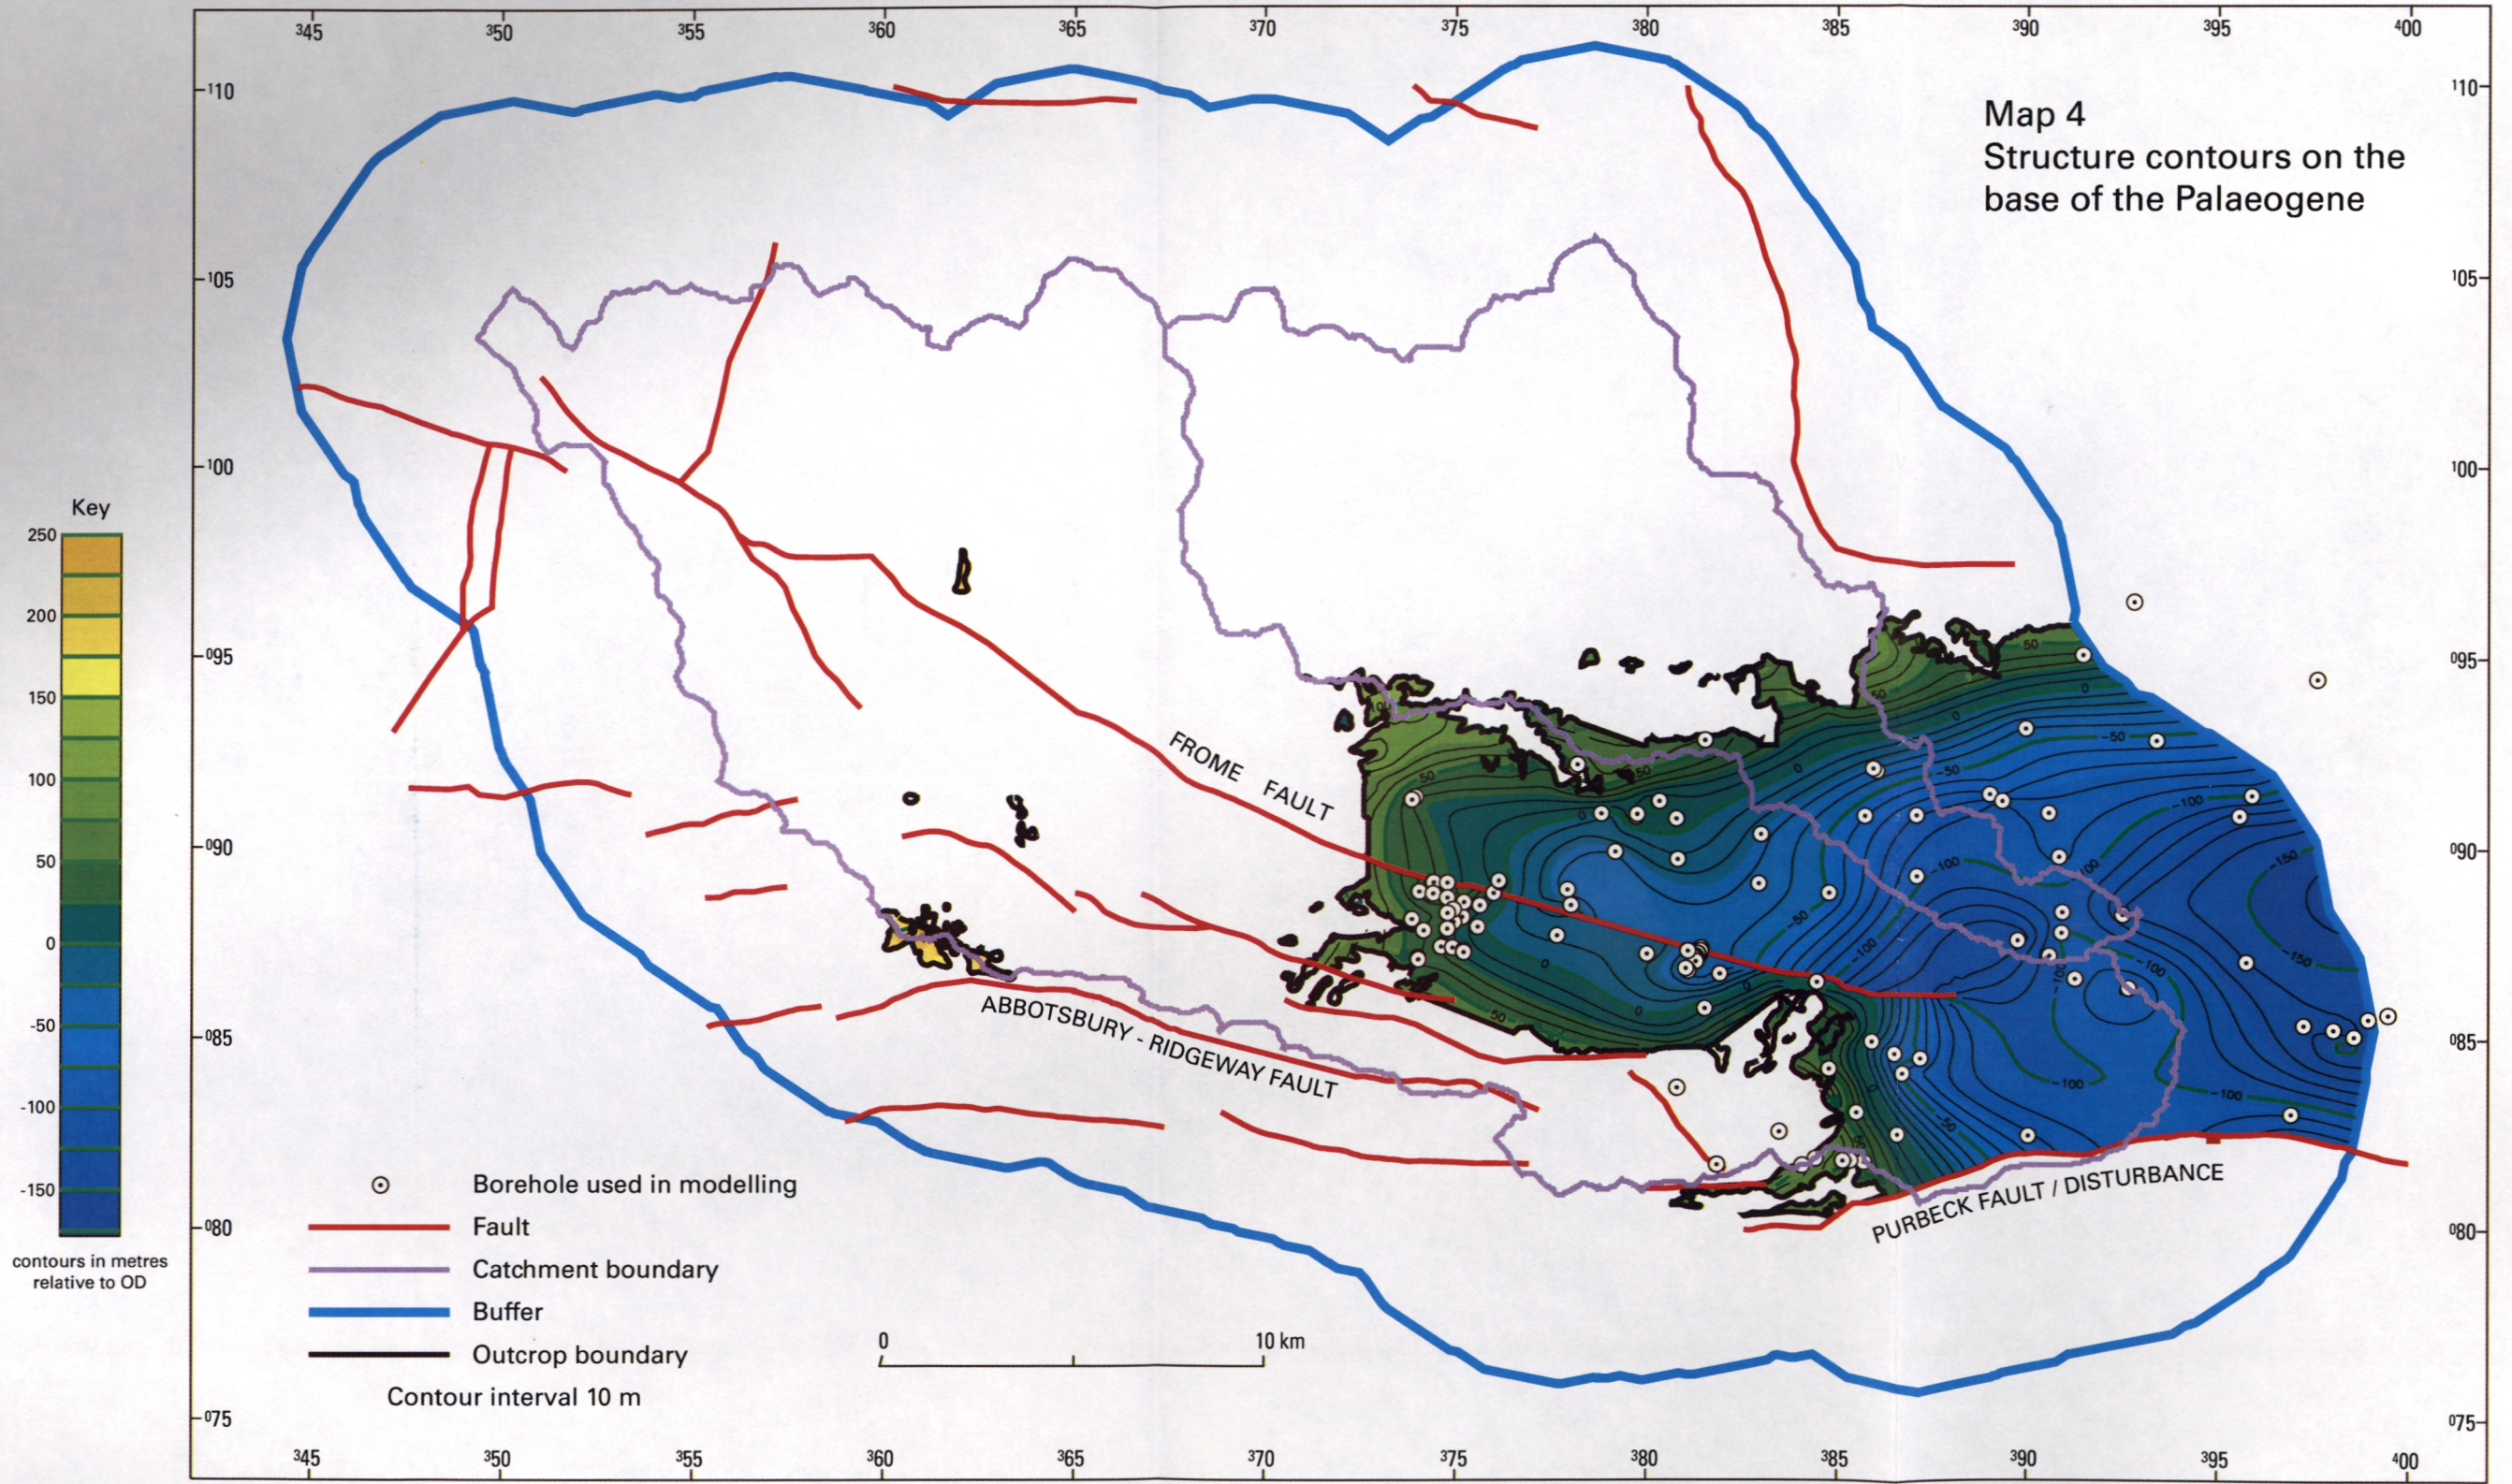

Map 2
Structure contours on
the base of the Chalk

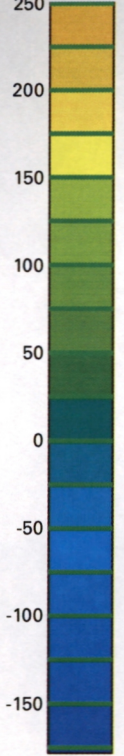

Map 3
Structure contours on the
base of the Lewes Nodular
Chalk Formation

Map 4
Structure contours on the
base of the Palaeogene

Key

contours in metres
relative to OD

- ⊙ Borehole used in modelling
- Fault
- Catchment boundary
- Buffer
- Outcrop boundary

Contour interval 10 m

Map 5
 Combined thickness of
 the 'Lower Chalk' and
 'Middle Chalk'
