

Quick reference guide: Activating your NORA login.

How do I use NORA?

Go to <http://nora.nerc.ac.uk> and click on the 'Login' link.

The screenshot shows the NORA website homepage. At the top left is the NERC logo. The main header features the text 'NERC Open Research Archive' and 'sharing our research'. On the right, there is a search bar with 'Search NORA' and a 'GO' button. Below the search bar is a navigation menu with 'HOME', 'ABOUT', 'BROWSE', and 'SEARCH'. A 'LOGIN' link is circled in red in the top right corner, with an arrow pointing to it from the text above. The main content area is divided into three columns: 'Quick links' with links to 'Latest additions', 'Advanced search', 'Browse repository', 'About this repository', and 'Policies'; 'NERC Open Research Archive' with a description of the archive and links to 'Atom', 'RSS 1.0', and 'RSS 2.0'; and 'Research Centres' listing 'British Antarctic Survey', 'British Geological Survey', 'Centre for Ecology & Hydrology', and 'Proudman Oceanographic Laboratory'. At the bottom, there is a footer with copyright information and a review date.

If this is the first time you have used NORA, then select reset.
