

Activating your NORA login

Go to <https://nora.nerc.ac.uk/> and click on the **Staff Login** link

The screenshot shows the NORA Open Research Archive homepage. At the top, there is a navigation bar with links: HOME, ABOUT, BROWSE, SEARCH, LATEST ADDITIONS, POLICIES, STATISTICS, HELP, CONTACT US, and ORCID. Below this bar, a red arrow points to the 'STAFF LOGIN' link. The main content area includes a description of NORA as the Institutional Repository for research publications and outcomes of staff at the British Antarctic Survey, British Geological Survey, National Oceanography Centre, and UK Centre for Ecology & Hydrology. There is a 'Follow' button and a search section with a text input field 'Enter your free text search here', a 'SEARCH' button, and an 'Advanced Search' link.

If this is the first time you have used NORA, select **Register for NORA**

The screenshot shows the 'Staff Login' page. It prompts the user to 'Please enter your username and password.' Below this, there is a link 'Register for NORA (NERC Staff Only)' which is highlighted by a red arrow. Other links include 'Forgotten your password?' and 'Reset password'. There are input fields for 'Username:' and 'Password:', each with a 'Show/Hide' icon. A 'Login' button is located to the right of the password field. At the bottom, a note states: 'Note: you must have cookies enabled.'

This will take you to the **Change Password** screen. Enter your email address and a chosen password and click **Submit**. You will then receive a confirmation email with your login and instructions for activating your password.

Your NORA username will be your NERC ID. For example, if your email address is abcd@nerc.ac.uk, your username will be abcd.
